

123.132 Authority under class “C” permit.

The holder of a class “C” permit shall be allowed to sell beer to consumers at retail for consumption off the premises. The sales made pursuant to this section shall be made in original containers only. The holder of a class “C” permit or the permittee’s agents or employees shall not sell beer to other retail license or permit holders knowing or having reasonable cause to believe that the beer will be resold in another licensed establishment.
